# RETAIL PRICE LIST

## FOR YOUR CONVENIENCE

Keeline-Wilcox Nurseries are happy to furnish introduction cards to you for your retail customers, this card should be filled out and signed by the issuing firm. Your retail customers sent to us can personally select from our vast supply of established specimens or choose direct from our large growing fields the plants best suited for their purposes. All prices quoted will be from this catalog and your customary discount will be credited to you.

### GUARANTEE

1. Keeline-Wilcox Nurseries guarantee all stock to be in good condition when delivered.
2. Any claim as to condition of material at time of delivery cannot be honored after five (5) days from date of delivery.
3. After material has been accepted in good condition, we cannot be responsible for improper handling, planting, or exceptional weather, but will investigate any reasonable claim if such claim is made within 30 days after receipt of material.
4. The above Guarantee covers only plant material supplied by us and does not cover cost of replanting when such is necessary.
5. Keeline-Wilcox Nurseries reserve the right to determine the reasonableness of any claim, and will make whatever adjustment it deems proper and adequate.

### TERMS OF BUSINESS

This catalog is published as a price guide for your use. We have established uniform prices on specimen plants from 16"-60" boxes. However, when larger than 60" boxed specimens are requested, prices will be quoted on an individual plant basis.

This list supersedes and cancels all previously published or quoted prices and all material listed is subject to stock on hand and to prior sale.

### PACKING

All packing or crating of nursery stock is charged at cost.

### PRICES

All prices are subject to revision or change without notice. California Retail Sales Tax of 3% will be added to purchases made for delivery within the State of California unless the Resale Certificate of the purchaser is on file in our office in Montebello.

### TERMS

NET. All accounts due 10th of the month following date of purchase. No discounts allowed. Cash or C.O.D. for all unestablished accounts.

### NON-WARRANTY

Keeline-Wilcox will exercise care to have all plants true to name. Nevertheless, it is understood that should any plant prove otherwise, we will not be liable for any sum greater than that paid for such plants as may prove untrue.

### BOX DEPOSIT

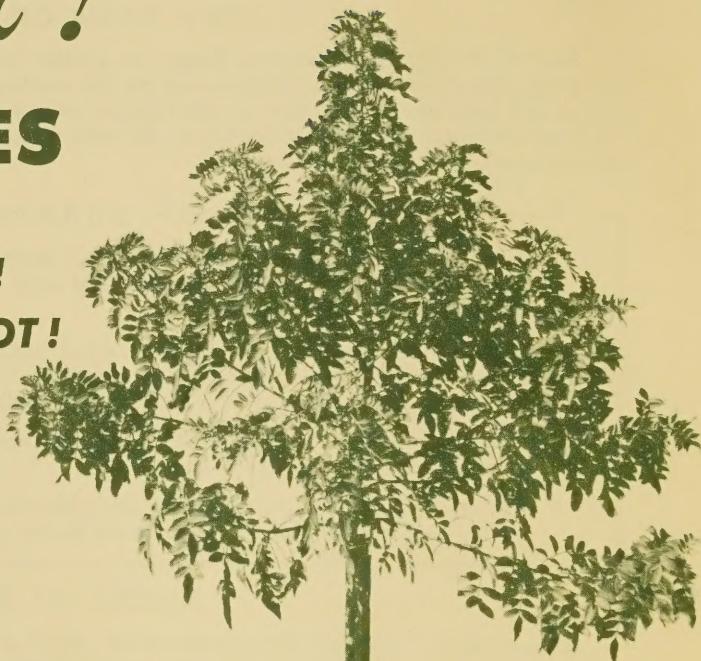

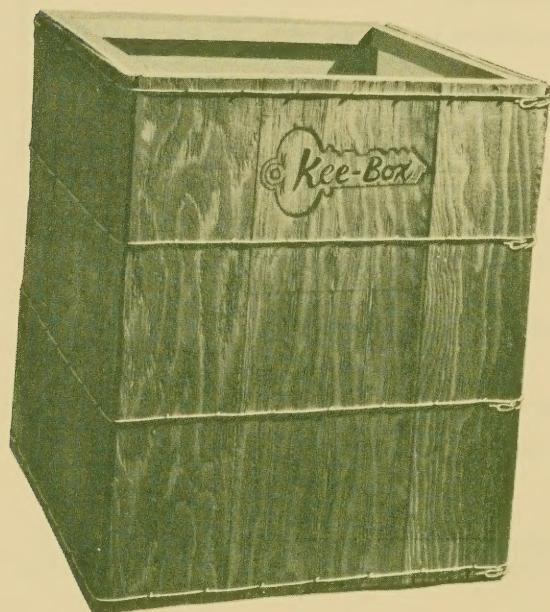

Because of increased cost of both labor and material and number of tree boxes sent out on different jobs and not returned, we have found it necessary to make a deposit charge to cover cost of these boxes.

## KEE-BOX TREES

- NO MORE CANS TO CUT!
- NO MORE BURLAP TO ROT!

This new idea for merchandising B & B Trees is another Keeline-Wilcox innovation. The Kee-Box eliminates shaving bins, beautifies display, simplifies delivery and planting. Tree need not be removed from the Kee-Box, just plant it all in the soil. Kee-Box is easy to open by hand if desired.

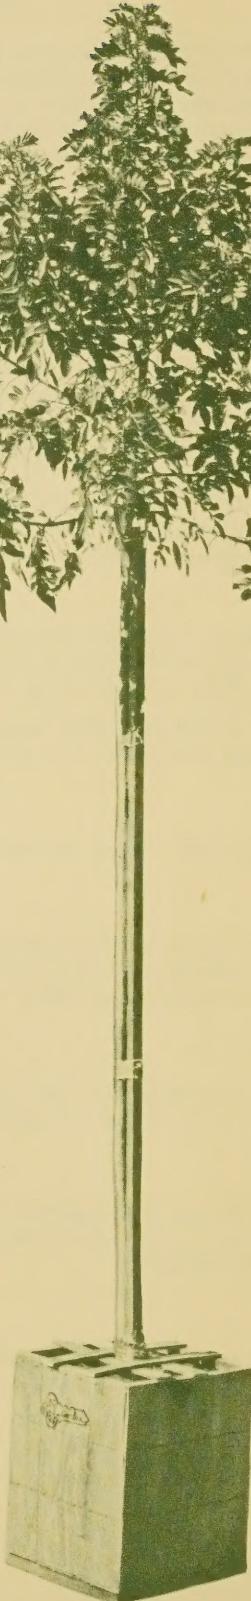

### KEE-BOX

Due to the terrific demand for empty Kee-Boxes we have decided to make them available to you at wholesale prices for your own planting purposes. The large size is designed for ornamental trees, Citrus, Avocados and etc. with the smaller size best suited for Azaleas, Camellias, small Evergreens and shrubs.
